Frequently Asked Questions

How does the navigation work?

Read more

For top navigation, click on the section title to jump down to that section. Use green arrow in the bottom right corner to return to the top of the document.

How do I view separate parts of the document in separate screens?

Read more

Open the section of interest. Right click on the section title in the top navigation bar. Select “Open link in a new window with navigation”. This approach works for any link you wish to view in a separate window.

Can I bookmark parts of this guidance?
